SIMATS ENGINEERING

INDIVIDUAL PASSION

Listening to Music and participate events
(Interest should be created)

TO BE ENHANCED

Good academic performance. Keep up the good work. She is advised to work hard in order to obtain a high score.

Dear Parent

Personal Comments

Your ward is enrolled in the Slot B, C & D courses and has been attending classes regularly. Advised him to do the online courses during these days. His daily test results have been gradually improving, which shows his excellent work attitude and dedication to academic achievement. He is enrolled in an NPTEL course and consistently submits his assignments.

Common Comments

It is important to inform you that his great attendance record reflects his persistent dedication to achieving academic achievement and I continuously encourage his to participate in conferences, workshops, and quizzes at various universities and colleges. Only your ward's ARMS will be used to communicate any college information (Results, Attendance, Fee details, Disciplinary Issues, etc....). You can visit the campus to meet all the concerned faculties and mentors to know her academic status.

SIMATS ENGINEERING

MENTEE RESPONSE

I will try to improve on my studies

PARENT'S RESPONSE

**I am happy with my son's
performance**
